

FUTURES LEARNING CENTER · ONE CHECKLIST PER CHILD

Enrollment checklist

Keep this page in the child's paper file. Tick each step when it is done and add the date and your initials. This page records that a step is done, never the details.

Child's name _____ Room _____

Parent or guardian _____ Start date _____

No health details on this page. Health records the state requires are kept only on the state's own forms in the locked paper file. They are never written here and never entered in the Futures Hub.
