Supplies for today: one list, no repeats

Observation focus this week (2 to 3 short, factual notes on about 4 children today)

- Feelings words: which feelings can each child name or show?
- Calming: does the child use a strategy with help, or on their own?
- Peer play: does the child play alongside, with, or take turns with a friend?

Daily routines used in this plan

Principal Hazel
Story-world character

Greeting song: Sing it to "Frère Jacques" with each child's name as they come to the carpet.

Greeting choice board: From Day 6: each child chooses wave, high five, fist bump, elbow bump or hug, and the teacher greets them that way. Touch is never required.

Feelings check-in: Hold up the Feeling Faces cards. Twos point to a face; threes and pre-K say or point, and from Day 7 move their name card under a face on the feelings chart. Accept every answer: "Thank you for telling me."

Calendar and weather: One child moves the arrow to today; twos point to the sun or cloud picture.

Bunny breaths: Sniff in through the nose three quick times like a bunny, then let out one long breath through the mouth. Do three together.

Lumi's Calm Corner: A choice, never a consequence. Invite: "Would you like to visit Lumi's corner, or would you like me to stay with you here?" Children stay as long as they need, usually 2 to 5 minutes.

Asking questions: Ask, then wait at least 5 seconds. With twos, use one question and accept pointing, gestures or single words.

Learning zones: Children choose freely. Teachers move between zones, talk with children and write 2 to 3 short observation notes each: what the child did or said (facts only), where, and a next step. No scores.

Transitions: Sing a Bop song for every transition: the Come-to-the-Carpet Song, the Cleanup Song, the Handwashing Song (twice, about 20 seconds) and the Line-Up Song.

Take-home card: Hand each family the day's card at pickup and say one specific sentence about their child (for example, "Maya counted 8 leaves today with Zuri").

Morning circle

about 15 min (estimate) • Lumi • BELONG

Goal: Children learn the words "Can I have a turn?" and "You can have it when I'm done."

Threes: Greeting, feelings chart and bunny breaths. Role play with two puppets: Bop grabs a toy from Booker. Teach the turn-taking words.

Pre-K: As for threes. Pre-K stretch: Pairs act out the turn-taking words with a real toy, then switch roles.

Twos: Circle is 10 minutes. Twos practice "My turn, your turn" with a puppet.

Say or ask

- "Lumi has been so kind this week. What is kindness?"

Day 9: Kind Hands, Kind Words

Unit 1 • Week 2: Meet Lumi: Big Feelings • Thursday • Teacher packet

DRAFT • not reviewed

- "Kindness is when we help, share, and use gentle hands and words. Today we will practice being kind when we share."
- "How does Booker feel? What could Bop say instead?"
- "Can I have a turn?" "You can have it when I'm done."

Everyone can join (the same four lines on every block)

Participation choices: Post "My turn, please" and "Your turn" with pictures by each zone and practice them with gestures. Key words today (English / Spanish): turn / turno, share / compartir, wait / esperar. Show a picture or gesture with each word, say it in English and in the home language, and invite a child or family to teach the class the word in their language. Spanish words are a draft until a native-speaking educator reviews them.

Movement alternative: Children may sit on a chair, a cushion or a lap, or stand at the edge of the circle. Every song move can be done seated with arms and hands; pointing and waving count.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Two puppets; A toy for the role play (gathered once in the supply list)

Picture-talk story

about 10 min (estimate) • Lumi • BELONG

Goal: Children see how a timer and turns solve a problem.

Threes: Tell the picture-talk story with the Zuri, Bop and Lumi puppets, one block and a sand timer, then ask the questions.

Pre-K: As for threes. Pre-K stretch: Ask: "What else could Zuri and Bop have done instead of grabbing?" Collect two ideas.

Twos: Keep the story short (the first and last beat) with one or two puppets, then ask one question: "My turn, your turn! Let's practice."

Say or ask

- Tell the story with the puppets (no screen needed): Zuri and Bop both want the same block. Lumi helps them use a sand timer and take turns. Then they build together and make something bigger than either could alone.
- "What was the problem?"
- "How did Lumi help them solve it?"
- "What words can you use when you want a turn?"
- Story-world friends (teacher voice, no puppet needed): In the story, Nico is first to offer a turn with the special block.

Everyone can join (the same four lines on every block)

Participation choices: Children may answer by passing the block.

Movement alternative: Listen sitting, lying on a tummy or standing at the back. Acting-out moves can be done with hands, or by moving a puppet.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Zuri, Bop and Lumi puppets; One block, a sand timer; Picture-talk card (Day 9 packet) (gathered once in the supply list)

Day 9: Kind Hands, Kind Words

Unit 1 • Week 2: Meet Lumi: Big Feelings • Thursday • Teacher packet

DRAFT • not reviewed

Connected activity: Kindness Chain

about 15 min (estimate) • Lumi • BELONG

Goal: Children say a kind thing they can do and practice turn-taking with a timer.

Threes: Each child tells one kind thing they can do (help, share, hug, give a turn); the teacher writes it on an orange paper link. Start the class kindness chain. Each time a child does a kind act today, add a link. Then practice turn-taking in pairs with a sand timer and one special toy.

Pre-K: As for threes. Pre-K stretch: Children count the links each hour and say how many were added since last time.

Twos: "My turn, your turn" game with a teacher: pass a shaker back and forth while singing "My turn, your turn, now it's your turn." Practice gentle hands: pet the Lumi puppet softly.

Say or ask

- "What is one kind thing you can do?"
- "My turn, your turn, now it's your turn."

Everyone can join (the same four lines on every block)

Participation choices: Visual timers help many children wait. For a child who struggles to give up a toy, give a 1-minute warning and a "next" card that promises a turn back. Praise every small step. Inclusion support.

Self-regulation: use a visual sand timer and a "first, then" picture card ("first Nico, then you").

Movement alternative: Bring the materials to the child at table height; every step can be done seated. A partner can fetch and carry.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Orange paper strips, tape or glue; Sand timers (2 to 3 minutes); Shakers (gathered once in the supply list)

Movement: Pass the Kindness

about 5 min (estimate) • Lumi • BELONG + MOVE

Goal: Children pass a beanbag and say something kind when the music stops.

Threes: Children stand in a circle and pass a beanbag "kindness" while music plays. When the music stops, the child holding it says something kind to the person next to them, or gives a wave.

Pre-K: As for threes. Pre-K stretch: Children pass in the other direction on a signal and name the kind thing in a full sentence.

Twos: Pass the beanbag with an adult's help; wave when the music stops.

Say or ask

- "Say something kind, or give a wave."

Everyone can join (the same four lines on every block)

Participation choices: A wave is always a full answer. A child who uses a wheelchair or prefers to sit can do every move with arms, head and upper body ("stomp" becomes "pat knees").

Movement alternative: Seated version: every move with arms, head and upper body ("stomp" becomes "pat knees", "jump" becomes "arms up high"). A child can also keep the beat on a drum.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Day 9: Kind Hands, Kind Words

Unit 1 • Week 2: Meet Lumi: Big Feelings • Thursday • Teacher packet

DRAFT • not reviewed

Materials: Beanbag; Music (any player, a drum, or clapping) (gathered once in the supply list)

Learning zones

about 60 min (estimate) • Lumi • BELONG

Goal: Children share materials and make kindness cards.

Open all zones. Teachers record 2 to 3 observations each.

Zone	Twos	Threes and Pre-K
Booker's Reading Area	Books about friends	Make a kindness card for a classmate
Lumi's Calm Corner	Lumi puppet, gentle petting	Feeling Faces game with a friend
Zuri's Discovery Zone	Big blocks with a teacher: my turn, your turn	Partner building with a sand timer for the special block
Bop's Movement Zone	Push a friend in a toy wagon (with a teacher)	Parachute or sheet game: everyone works together
Art table	Group painting on one big paper	Kindness chain: write or dictate kind acts on links

Say or ask

- "How can you share this?"

Everyone can join (the same four lines on every block)

Participation choices: Lumi's Calm Corner is a choice, never a consequence: "Would you like to visit Lumi's corner, or would you like me to stay with you here?"

Movement alternative: The parachute (or sheet) game works seated: children hold the edge from chairs or the floor. The wagon (or laundry basket) is pulled by an adult or a friend; no one rides.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Blank cards for kindness notes; Sand timers; Parachute or large sheet; Toy wagon (gathered once in the supply list)

Read-aloud

about 10 min (estimate) • Lumi • BELONG

Goal: Children tell which part of the story shows kindness.

Threes: Third reading of Big Feelings, Brighter Days, or reread "The Lion and the Mouse." Children tell which part shows kindness.

Pre-K: As for threes. Pre-K stretch: Children compare the two stories: "How were the mouse and Lumi the same?"

Twos: Point to the kind part.

Say or ask

- "Which part shows kindness?"

Day 9: Kind Hands, Kind Words

Unit 1 • Week 2: Meet Lumi: Big Feelings • Thursday • Teacher packet

DRAFT • not reviewed

Everyone can join (the same four lines on every block)

Participation choices: Children may answer by pointing to a page.

Movement alternative: Listen from a chair, a cushion or a lap. Story gestures can be done with hands only, seated.

Meal reference: No food in this block.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Big Feelings, Brighter Days read-aloud spread (story set) or "The Lion and the Mouse" (gathered once in the supply list)

Eat the Rainbow at the table

runs during the meal • Zuri • NOURISH

Goal: Children pass the bowl and help a friend at a family-style lunch.

Threes: Family-style lunch practice: pass the bowl to the left and say "Here you go." Children may help a friend by holding the bowl steady. Children who explore the orange food add an orange sticker.

Pre-K: As for threes. Pre-K stretch: Children notice when a friend needs help at the table and offer it in words.

Twos: Twos hold the bowl with an adult.

Say or ask

- "Here you go."

Everyone can join (the same four lines on every block)

Participation choices: Check the posted allergy and meal plan before serving; a child whose plan excludes today's food explores the color with a picture card instead. Never pressure a child to eat; for children with feeding or sensory food differences, touching, smelling or licking counts as trying.

Movement alternative: Children stay seated at the table. Passing a bowl is optional: an adult or a friend can pass for a child who prefers not to.

Meal reference: Serve only as each child's director-approved serving instruction allows (served-instead or never-serve, in the kitchen view). If a child's instruction is missing or out of date, ask the director before serving that child. A child served something else joins with a picture card.

Family connection: At pickup, families can ask: "How did Lumi help her friends share?" Today's family card: "Kind Hands, Kind Words". (activity u1-w2-d4-goodbye)

Materials: Family-style serving bowls; An orange food; Orange stickers (gathered once in the supply list)

For the cook and the table (optional, neutral): Family-style practice with the orange food of the day: pass, hold the bowl for a friend, say "Here you go." Exploring counts; no one has to eat it.

Closing and take-home

about 10 min (estimate) • Lumi • BELONG

Goal: Children count the links on the kindness chain.

Threes: Count the links together. Name 3 specific kind acts you saw.

Pre-K: As for threes. Pre-K stretch: Show the chain in groups of 5 and count on: "5, 10, and 1, 2, 3 more."

Twos: Twos clap for each link.

Say or ask

- "We were kind ___ times today!"

Day 9: Kind Hands, Kind Words

Unit 1 • Week 2: Meet Lumi: Big Feelings • Thursday • Teacher packet

DRAFT • not reviewed

- Lumi says: "Kind hands and kind words make everyone feel like they belong."

Everyone can join (the same four lines on every block)

Participation choices: A child may count by pointing.

Movement alternative: Answer from where the child is sitting; pointing to a sign or a picture counts. Song moves can be done seated.

Meal reference: No food in this block.

Family connection: This is today's family activity, "Kind Hands, Kind Words". The same activity, with a three-minute version, is on the free family page "This week with Lumi". (activity u1-w2-d4-goodbye)

Materials: Kindness chain; Take-home card for each family (gathered once in the supply list)

Take-home card: Kind Hands, Kind Words

Ask: "How did Lumi help her friends share?"

Do: Play a game with turns tonight (rolling a ball, a simple board game). Say "My turn, your turn" together. Use the language you speak at home. Tell the teacher one word your child said, in any language.

From home: A ball or a simple board game

Week 2

Day 9. The episode is not produced. Tell the same story with the stick puppets (or plush) and real objects, about 5 minutes. Hold up the right friend for each beat, act it out, and pause so children can guess what happens next.

1

Zuri and Bop both want the same block.

2

Lumi brings a sand timer.

3

Zuri has a turn, then Bop has a turn.

4

They build together and make something bigger.
